PROGRAM DETAIL

Bureau: Recycling & Solid Waste	No: 085-03-8005	Department: Public Works	Program: Collection/Disposal/Recycling	No: 0001
---	---------------------------	------------------------------------	--	--------------------

Program Description:

This program provides for the safe and proper collection, disposal or recycling of municipal solid waste, recyclable materials, and yard waste from approximately 36,675 households, 500 small businesses, and City facilities. This fund also provides for the operation of a recycling drop off center, yard waste site, Keep Allentown Beautiful, educational programs, Graffiti Busters programs and the monitoring of the Dorney Road (Oswald) Landfill Superfund Site.

Goal(s):

Facilitate the safe, efficient, and cost-effective removal of waste from the City. Continue to reduce the City's municipal solid waste stream and comply with PA Act 101 (mandatory residential and commercial recycling law). Promote a cleaner and greener City. Reduce the incidence of litter and graffiti.

Measurable Budget Year Objectives and Long-Range Targets:

- Achieve a reduction of residential and commercial waste generated in the City through recycling, yard-waste composting, and source reduction efforts.
- Maintain residential and commercial recycling participation rates above 90% and contamination rates below 10% through active education and enforcement efforts.
- Reduce the amount of waste land-filled through unlimited recycling and limits on trash collection.
- Increase waste diversion through the operation of the Recycling Drop-Off Center and yard waste site.
- Install, maintain, and provide collection from approximately 225 Big Belly Solar Trash Compactors (75 with recycling units) and 400 litter receptacles.
- Administer the commercial trash and recycling collection program as a service to small businesses.
- Process yard waste from curbside collection, public drop-off and from the City Parks Department.
- Support recycling market development efforts.
- Develop and maintain accurate monitoring and reporting systems.
- Maximize grant funding and increase alternative revenue sources.
- Achieve a cleaner and greener City through community involvement, education, cleaning and enforcement
- Eradicate graffiti from public and private property and prevent graffiti through education and enforcement.

**Current vendor does not separate information

Budget Priorities:

- To provide for the collection and disposal of municipal solid waste and recycling collection for approximately 36,675 households and approximately 525 businesses.
- To maintain the cleanliness of the City by the maintenance and servicing of approximately 200 big belly trash and recycling units and 450 litter receptacles throughout the City.
- To provide yard waste collection and drop off services for Allentown residents and the subsequent grinding, screening and processing of yard waste material into mulch for residents and City parks.
- To maintain the Allentown Recycling Drop Off Center for expanded recycling services.
- To provide electronics recycling of TVs and certain covered devices for Allentown residents and small businesses.
- To provide document destruction services for Allentown residents and small businesses.
- To abate graffiti from public and private properties.
- To relay important recycling program information and collection changes to residents and businesses in an effort to reduce trash and litter on city sidewalks and streets and to increase recycling and compliance with city ordinances.

PROGRAM DETAIL

Bureau: Recycling & Solid Waste	No: 085-03-8005	Department: Public Works	Program: Solid Waste Education & Enforcement Program	No: 0002
---	---------------------------	------------------------------------	--	--------------------

Program Description:

SWEEP (Solid Waste Education and Enforcement Program) provides complaint and pro-active, outreach, education and enforcement of Allentown's municipal waste, recycling and neighborhood improvement ordinances. Residents, property owners and business owners are informed of the ordinance requirements and SWEEP officers address trash, litter and recycling problems to attain compliance. The officers educate, issue warnings, SWEEP violation tickets and citations for non-compliance. The program also administers the system to track complaints and SWEEP tickets issued and collect ticket revenue. The system has been shared with other City bureaus to track a variety of violations, including noise, snow removal, animal issues, etc.

Goal(s):

SWEEP strives to increase the cleanliness of Allentown through increased knowledge of and compliance with litter, trash-related and recycling ordinances. SWEEP continues to improve its litter and trash abatement programs and increase recycling through education and enforcement.

Measurable Budget Year Objectives and Long-Range Targets:

- Increased compliance with Neighborhood Improvement, Municipal Waste and Recycling ordinances.
- Increased community support and improved awareness of SWEEP enforcement protocol.
- Improved cleanliness of the City.
- Perform systematic and proactive investigations to increase compliance with ordinances.
- Address quality of life issues.
- Address high grass and weed complaints
- Increase involvement by other City bureaus and departments in SWEEP.
- Include SWEEP ticket issuance in other City ordinances.
- Reduce number of rejected trash notice by City hauler through increase residential education.
- Reduce number of community-based complaints by increase compliance.
- Administer the SWEEP ticket program for other City bureaus, Allentown Police Department, Health, Engineering and Building Standards and Safety.

PROGRAM DETAIL

Bureau: Recycling & Solid Waste	No: 085-03-8005	Department: Public Works	Program: Street Cleaning	Program No: 0003
---	---------------------------	------------------------------------	------------------------------------	----------------------------

Program Description:

This program provides for the sweeping of all City streets. It is responsible for municipal leaf collection from the city streets and all cleaning of the top of storm grates and drains. This program includes hand sweeping by City crews of City streets, alleys and certain posted areas which are not a part of the automatic sweeping department. This program also assists the streets program in all phases of salting, pre-wetting of City streets prior to a snow storm event, plowing and snow removal with 24-hour coverage during the winter season (November to April).

Goal(s):

Continue to improve all aspects of our street cleaning program with the necessary changes to meet the City's ever-changing needs.

Measurable Budget Year Objectives and Long-Range Targets:

- Sweep 13,750 lane-miles of street.
- Collect all leaves from City streets between the months of October through December
- Collect bagged leaves during the months of December through March, along with the Recycling Department;.
- Replace and maintain all permanent metal street cleaning signs throughout the City.
- Improve inlet cleaning program.
- Assist parks in trimming low tree branches that impede the proper sweeping of posted street cleaning routes.
- Continue to improve our street cleaning and build upon new practices with MS4 requirements

Bureau: Recycling & Solid Waste	No: 085-03-8005	Department: Public Works	Program: Animal Control	No: 0004
---	---------------------------	------------------------------------	-----------------------------------	--------------------

Program Description:

The Animal Control Program's primary objective is to preserve and protect the public health through investigation and abatement of animal related nuisances. This is accomplished through the enforcement of the provisions of the Animal Control Ordinance and other laws, regulations, and policies.

Goal(s):

Assure that the community is afforded the best animal control services possible.

Measurable Budget Year Objectives and Long-Range Targets:

- To take appropriate enforcement actions to assure compliance with the City's Animal Control Ordinance.
- To respond to all animal-related complaints received from the public.
- To seize domestic animals running at-large in the community.
- To investigate complaints regarding possibly rabid animals and animal bites.
- To provide public education regarding aspects of the Animal Control Ordinance, animal owner responsibilities and animal behavior.
- To educate pet owners about the importance of immunizing their pets against rabies and to promote low-cost animal rabies immunization clinics conducted in the City.
- To investigate or assist the Lehigh County Humane Society Cruelty Officer in the investigation of animal cruelty complaints.

Impact/Output Measures	2018 Actual	2019 Actual	2020 YTD	2021 Target
Number of animal-related complaints received	1,638	1,531	514	1,550
Number of tickets issued	470	560	*74	300
Number of citations issued	35	27	*23	30
Number of animals seized/picked-up (ACO & APD)	486	499	121	480
Number of animal bites reported or investigated	212	299	*64	220
Number of Dog licenses sold	441	783	233	500

*2020 decreases due to Covid-19

Budget Priorities:

- Work to ensure and protect neighborhoods and Allentown residents of animal related nuisances and other animal control ordinance violations.
- Administer contract with the vendor for the general and specialized services relating to animal control.
- Perform animal investigations of complaints received from the public.
- Respond to calls of confined stray animals and transport animal to vendor.
